We Listened

Community	Discussion Group
Queen Charlotte	February 12 and March 4, 2015
Skidegate	April 9, 2015
Sandspit	March 2, 2015
Port Clements	March 5, 2015
Masset and Old Massett	April 2, 2015

What's holding us back?

- Lack of local control
- Lack of local access
- Lack of local manufacturing
- Lack of skilled local workforce

How can we improve?

- Make the best end use of every tree
- Better management of cut blocks
- Maximize local work opportunities
- Stimulate local processing

What needs to shift first?

- Local control and access
- Value added manufacturing
- Local employment
